EXCELLENCE IN QUALITY AWARD

Excellence in Quality is a part of the foundation of Hillsboro Health culture. The Hillsboro Health Excellence in Quality Award recognizes exceptional performance or behavior that meets or exceeds the standards set forth in the 6 Domains of Healthcare Quality (AHRQ).

THE 6 DOMAINS OF HEALTHCARE QUALITY

Safe: Care that avoids harming patients

Effective: Care that is based on evidenced based research and provides optimal outcomes

Patient-Centered: Care that is responsive to patients' needs, values, and preferences

Timely: Care that reduces wait times or harmful delays

Efficient: Care that avoids waste of equipment, supplies, ideas, and energy

Equitable: Care that does not vary quality due to personal characteristics

Recognizing employees for their commitment to excellence promotes an environment where employee engagement, teamwork, productivity and retention grow and thrive, ultimately improving the patient experience.

All employed or contracted team members of Hillsboro Health are eligible for the Excellence in Quality Award. All entries may be submitted via QR code or paper application to the Quality Department.
